

HKICPA seminar: Strategic Move to Address IT Risks in Mobility Environment

Programme Code: S141023S

Adopting mobility solution and cloud computing into business operations are considered to be the current trend in IT usage. Many organizations started to use mobile devices to access to corporate email or data. According to Gartner's recent report: security is a crucial factor for mobile enterprise workforce enablement. Use of Mobile Device Management solution and Bring Your Own Device (BYOD) strategy are no longer the only solutions to support mobile workforce. Company has to understand the current trend in mobile security risks and develop the strategic plan to adopt enterprise mobility solution securely.

In this seminar, the speaker will cover the current mobile security risks, strategy and solution to address those risks.
