

International Financial Reporting Standards Update

Programme Code: S110613S

As global capital markets become increasingly integrated, many countries are conforming to International Financial Reporting Standards (IFRS). Although Hong Kong is one of the first followers of IFRS in Asia Pacific, it is critical that companies need to be up to date with the emerging trends in accounting standards. This seminar will provide information concerning current global status of conversion, difficulties faced, significant changes in financial reporting that have occurred in the last six months, expected future changes and reasons behind the changes.
