

HKICPA seminar: Strategic Change Management and Leadership

Programme Code: S150128S

There are many things that cause organizations to change. For example, mergers and acquisitions; challenge of economic downturns; technological changes; entry of new competition; new practice; changes on consumer tastes and so on. Change is a key source of competitive advantage and organizations must continue to adapt the change in order to survive. Yet many change efforts in organizations fail, leading to substantial drain of the organization's resources, energy and morale.

In this seminar, participants will learn how to understand, strategize, lead and support organizational change.
