

# Financial Controllership Programme 2016

Congratulations to the 27 graduates who have successfully completed the programme. The first of its kind, the Institute's Financial Controllership Programme was launched in 2016 to provide practical training to members who are newly appointed or aspiring Financial Controllers and those who are transitioning from practice to business.

On 9 December 2016, a graduation ceremony was held to celebrate this special occasion where certificates of completion and best assignment prizes were presented. Congratulations again to the graduates.

## Their sharing...

*“FCP is a comprehensive course that covers different areas and not restricted to technical areas, it also covers soft skill training and other important area such as business ethics.”*

*“I found that the course subject and content are highly related to my current job duties as a PAIB.”*

*“If anyone asks me for my comment on this program, I would say it’s one of the most valuable courses I have ever attended in my life.”*

*“I was surprised that the class was quite fun and interesting. There were lots of interactions between candidates, course directors and guest speakers.”*

*“I need to say thank you to my director who sent me to this program. The program is very comprehensive, from soft management and leadership skills, to technical strategic finance and risk management. I had a great experience in joining this program.”*

*“The topics covered in the five modules have helped me refresh my professional knowledge, and more importantly, they have given me insights on how I may further strengthen my team and improve my skills on the job.”*

*“It is a valuable opportunity for me to learn from the experts and all the speakers.”*
