

DataExpert Technology Limited is pleased to offer special discount and complimentary service to our members with details as follows:

Offer

- For data recovery service for physical problems:
 - Discounted price of HK\$5,000 per case and free analysis for successfully closed/ unsuccessful recovery cases
- For data recovery service for logical problems:
 - Discounted price of HK\$3,500 per case and free analysis for successfully closed/ unsuccessful recovery cases
- The offers are valid until **30 June 2014**

Eligible Users

HKICPA members, International Affiliates, GAA members and registered students

Mechanism

- All eligible users must identify themselves as HKICPA members upon booking service and subsequently provide valid membership proof
- Payment is due in full upon completion of successful recovery, prior to release of data (whether shipped, collected or downloaded), unless arranged otherwise

Terms & Conditions

- Eligible users shall abide by the terms as listed in the "[Data Recovery Service Terms & Conditions](#)"
- Free analysis and no-data-no-fee only apply when no data recovery is possible or data recovery service is confirmed and purchased by the customer. If data recovery is possible but the customer decides to give up recovery, a HK\$500 examination fee will be charged
- If the hard disk drive has been opened by the customer or a third party before DataExpert collects it, an extra HK\$500 fee will be charged
- The quotation of a service case does not include the cost of any extra storage device that is used for storing and transferring recovered data. If the customer requires DataExpert to purchase a new device, he/she should bear the cost
