

## Exclusive Artistic Perfume Appreciation Workshop at Parfumerie Trésor in the month of July

Come join us on a unique exploration into the world of artistic perfumes. During the course of this journey you will look into the history and stories that bring together the bottles of extraordinary smelling perfumes. And you will be taken behind the scenes of all the know-how's of perfumes and how to select perfumes that truly belong to you.

\*\*\*

- A gift bag and special offer will be given to all attending guests at the end of the workshop

**Parfumerie Trésor**, opened in August 2014 as Hong Kong's first and only Artistic perfume boutique. Our aim is to introduce premium and luxury independent perfume brands to Hong Kong and Asia's patronage.

Home to 23 niche and artistic brands that have gathered from around the world and making its debut in Asia for the very first time. We hope to bring a new fragrant experience to everyone.

**Benny Tung**, both an experienced Parfumerie and Co-Founder of Parfumerie Trésor will be leading you on this extraordinary 'Artistic Perfume Appreciation' journey

Benny has traveled far and wide around the world to meet and train with the various creators and founders of each individual artistic perfume brand.

Not only has he learnt the extensive knowledge from these individuals he has also brought this knowledge and expertise to share with everyone.
