Hong Kong IPO - A Practical Guide

Available at discounted price

Hong Kong IPO – A Practical Guide provides practical guidance for companies which are considering to list on the Hong Kong Stock Exchange. The book gives a general overview of the global IPO environment and the characteristics of the Hong Kong Stock Exchange, and discusses key considerations of an IPO in the areas of accounting, tax and internal control. The book is written in a plain and straight forward manner for easy understanding and covers the following areas:

- The listing requirements on the Main Board and the Growth Enterprise Market:
- The listing process and documentation required for listing on the Hong Kong Stock Exchange;
- Common accounting and internal control issues encountered in the listing process;
- Tax considerations;
- Corporate governance requirements; and
- Continuing obligations of listed issues.

This book provides technical guidance on the application of the Listing Rules and offers recommendations to address issues encountered in the listing process. It includes illustrative examples, diagrams, tables and flowcharts and dissects the IPO roadmap into layers to provide an in-depth analysis and better understanding of the issues that need to be considered in listing a company on the Hong Kong Stock Exchange.

Discounted price: \$1,080

(original: HK\$1,350)

Discount offer

To enjoy the above bulk purchase discount, we have to meet the minimum order of 25 copies collectively from members. Otherwise, we cannot offer the discount price and your payment will be refunded in full.

Your order can be collected from the Institute. Alternatively, you can receive your order via courier service at an additional cost as stated below. Please allow approximately 10 working days for shipment as from 11 April 2014.

To place order, please return the completed order form with full payment. Cheque should be made payable to "Hong Kong Institute of Certified Public Accountants" or "HKICPA". We will only bank in your cheque if the minimum order is reached.
