

Updates on tax anti-avoidance

Programme Code: TFA150421

Taxpayers might try to reduce their tax liabilities by implementing a complicated tax planning strategy. However, they should be aware of the possible measures adopted by the Hong Kong Inland Revenue Department to strike down inappropriate transactions which are for the sole and dominant purpose of avoiding taxes. In this seminar, the speaker will talk about:

- The relevant sections of the Inland Revenue Ordinance to deal with tax avoidance
- Court cases analysis and their tax implications
- A brief discussion on the General Anti-Avoidance Rule in China
