CFO Forum on HKFRS/IFRS 17 Insurance Contracts

On 4 January, HKICPA issued HKFRS 17, a word-for-word adoption of IFRS 17 issued by the International Accounting Standards Board.

HKICPA and the IASB recognize the vital role that the Hong Kong insurance industry plays in the global economy and that HKFRS/IFRS 17 is expected to bring about significant operational and reporting changes and benefits.

Accordingly, we invite CFOs of Hong Kong insurers to attend a Forum, where we will explain high-level changes and the rationale for change. The Forum will also provide a chance to ask questions and speak directly with HKICPA and IASB Chairman and representatives. It is our desire to support the industry's implementation of HKFRS/IFRS 17, and this Forum is part of that support process.
