### 2023 Representative Team Member Recruitment

The CPA dragon boat representative team is recruiting team members for the 2023 season. Experienced members are welcome to register as representative team members. ***Please submit your application now!***

Dragon boating is one of the largest and fastest growing water sports in the world, and now becomes a modern international sport in over 60 countries. You will discover that dragon boat is not only an excellent way of improving your physical fitness, but also your personal network and team spirit – all while having fun paddling together and in exciting races. Being part of a team is so much more than just training and competing together. It is about building harmony, sportsmanship, and a feeling of camaraderie.

As representative team members, you will have the opportunity to represent the Institute in dragon boat competitions. The selection criteria for team members, among other things, are mainly based on your technical skills, continuing dragon boating training, commitment, attitude, and team spirit. You may be requested to take a competence assessment. The selection will be carried out by a panel comprising the coach and the members of the organizing committee of the DBIG. Their recommendations will be considered by the management in consultation with the Chairman of the Sports and Recreation Committee. Selected members should commit to participate in pre-race practice and competitions.

If you are interested in joining this popular traditional water sport, don't hesitate to enrol. Successful registration will be notified.

Please [enrol online](#) by **30 April 2023**. Existing representative team members ***are also required to register.***

**Note: Exact representatives of respective dragon boat races in 2023 are to be decided by the coach and the DBIG organizing committee members per race nature and members' skill levels.**
