**Council Members’ Interest**
Council members are not remunerated. A disclosure of financial interests of Council members appears in Note 15 to the Financial Statements.

Being the governing body of a self-regulatory professional institute, the Council has applied strict rules to prohibit a member of the Council or of a committee to take part in any discussion and decision of a matter in which that member has an apparent conflict of interest.

**Staff Remuneration**
The remuneration of the general staff is determined by the Council upon the recommendation of the Administration and Finance Committee, which is in turn advised by the Registrar who makes his recommendation for individual staff based on documented assessment.

The remuneration of the director grade staff is determined by the Council with reference to the recommendation of the Registrar. The Council is in a good position to make a considered decision of the remuneration of such staff, who are responsible for serving various committees, as their performance is known to at least some Council members who serve on the respective committees.

The remuneration of the Registrar is determined by the Council.

Remuneration at all levels is determined with reference to market conditions and staff performance.
