主旨: Comment on consultation paper on Proposed changes to auditing practices

Dear Sir / Madam,

Point 22 of the consultation paper states that 'The institute will publish guidance on expected competency levels that will draw on International Education Standard 8 and other sources.'

When will this guidance be published? Should this be published ASAP so that we can made our comments fully on the consultation paper before 1 March 2010?

Thank you.

Best regards,

SK Li
