

Bad Weather Arrangement for CPD Programme

All scheduled CPD programmes will be cancelled when Tropical Cyclone Warning Signal No. 8 or higher or Black Rainstorm Warning is hoisted. Cancelled programmes will be postponed to a date to be fixed and participants will be advised accordingly. The table below sets out the different scenarios when CPD programmes are affected by bad weather. When the weather is bad, participants are advised to find out the latest weather condition via weather reports on radio, television and internet before leaving for CPD programmes.
