HONG KONG PERSONAL INSOLVENCY MANUAL

Charles D. Booth, Philip Smart and Stephen Briscoe

Insolvency has been a growth industry in Hong Kong for the past several years. With the increase in the levels of both personal and corporate insolvency has come the recognition of the need for specialised publications to assist accounting and legal professionals working in the area. The *Hong Kong Personal Insolvency Manual*, and its sister volume, the *Hong Kong Corporate Insolvency Manual*, are designed to meet that need.

Published by the Hong Kong Society of Accountants, the *Hong Kong Personal Insolvency Manual* takes a practical, in-depth and up-to-date approach to personal bankruptcy and Voluntary Arrangements, drawing heavily upon illustrations from Hong Kong practice. The Manual also provides invaluable checklists and topic reviews to assist professionals handling the day-to-day administration of personal insolvencies.

Charles D. Booth and Philip Smart are both Associate Professors in the Faculty of Law, University of Hong Kong, and have taught and written about Hong Kong insolvency law and practice for many years. Stephen Briscoe is a Licensed Insolvency Practitioner (UK) and an Executive Director of RSM Nelson Wheeler Corporate Advisory Services Ltd.
