## About the Seminar

The relentless pursuit for economic change and diversification has given Dubai a leading edge in the Middle East in the past few years. Industries have thrived and Dubai almost constantly being the centre of international media attention given its unique geographical location and astounding construction feats.

Mr. Lee will introduce and analyze the cities in 4 parts:

### Part 1: Why Dubai?

- A) Tax and benefits
- B) Existing opportunities, pitfalls and business regulations

### Part 2: Boom or bust?

- A) Dubai's Sustainability
- B) Key elements of Dubai's competitive edge

### Part 3: Global challenge and Dubai's future.

Case studies comparing with

- A) Hong Kong
- B) Singapore
- C) Australia

### Part 4: Questions and Answers.

## About the Speaker

Brian C.H. Lee is the CEO and managing director of Capital Globe – An international conglomerate with four major divisions branching out to wealth management, logistics, retail and real estate.

A graduate from BA from Tufts University with a triple major in Economics, International Relations and East Asian Studies, Brian oversees and manages Capital globe's strategies.

Apart from strategic oversight of these divisions, he also performs client portfolio maintenance, risk analysis, and assets allocation for his clients. An entrepreneur in his own right, Brian also has a financial planner license under AIA and given several guest lectures to Baptist University in between 2002-2005.

The company's growth in recent years has meant successful branch outs in their departments including major property investments in Dubai and Australia and the aggressively growing F&B chain - Avenue-A pizza.
