ABOUT THE SEMINAR

With the global increase in cyber attacks, cybersecurity is one of the most important issues for companies currently. Cybersecurity specific laws have been developing globally and the pace of law making in China has been very fast over the past year and a half. In this seminar, the speaker will look into the legal framework for data security in Hong Kong and China by discussing:

- ✧ The requirements to keep data secure in compliance with data protection laws;
- ✧ Your obligations to notify / report to your customers and the relevant regulatory authorities in the event you are a victim of a cyber attack;
- ✧ The impact of the developing cybersecurity regime in China and in particular, the Draft Cybersecurity Law.
