Financial Reporting Framework and Financial Reporting Standard
(SME Standard)

Does your company prepare financial reports under the Hong Kong SME Standard? Are you a user (for example, banks) of SME financial reports? What are the challenges and benefits that you have experienced as preparers/users of SME financial reports?

The Hong Kong Institute of CPAs invites you to a roundtable to share your experience in using the SME Standard or financial reports prepared under the SME Standard. In particular, HKICPA is interested in your response to the questions in this [Request for Information](#).

Why you should attend this roundtable?

Your view is important to us in assessing areas of the SME Standard that may need improvement or may have been useful to you. If you would like to have a say in how the SME Standard can be enhanced, you should attend this roundtable.

If you cannot attend the roundtable but would like to share and discuss the Request for Information, please email anthonylwwong@hki CPA.org.hk.
