Workshop for Audit Manager

Training for audit manager is a one-day audit workshop which covers the following areas:

- The conduct of small to medium-sized engagements in compliance with Hong Kong Standards on Auditing. The audit process which includes planning, risk assessment, audit procedures and documentation will be illustrated with case studies
- Auditing of more complex and riskier areas: accounting estimates, using the work of an expert, group audits
- Common issues in respect of applications of financial reporting standards
- Review of financial statements

Participants who have previously attended the training for audit staff are encouraged to attend this workshop to gain a deeper understanding and practical application of the auditing standards.
