Audit Practice Manual Application Workshops

The Institute's revised Audit Practice Manual ("APM"), which was issued in November 2010, has been updated to address the requirements of Clarified Hong Kong Standards on Auditing.

- Sessions will be held to introduce the revised APM and the requirements under the Clarified Hong Kong Standards on Auditing and how they affect audit engagements of non-listed entities.
- The learning workshops are planned to refresh audit skills in risk assessment and risk response. Sessions on how to navigate the excel based audit programmes contained in the revised APM will also be included.

Participants are required to bring along their revised APM (either hardcopy or softcopy) for case illustrations.
