Dear Assignment / News / Business Section Editor

Hong Kong Institute of Certified Public Accountants takes regulatory action against a certified public accountant (practising), a corporate practice and a firm

(Hong Kong, 7 November 2016) - The Hong Kong Institute of Certified Public Accountants has undertaken regulatory action against Ng Ka Kuen, a certified public accountant (practising) (membership number A25914), of UC CPA (Practising) Limited (corporate practice number S267) and Ko Shun CPA & Company (firm number 2009) (collectively "Respondent") for failure or neglect to observe, maintain or otherwise apply professional standards issued by the Institute.

Ng is the sole proprietor of UC CPA (Practising) Limited and Ko Shun CPA & Company. In auditing the financial statements of a private company ("Company") for each of the years ended 31 December 2009 to 2014, the Respondent failed to report in the auditor's reports the Company's non-compliance with accounting standards relating to financial statement presentation and disclosure and a violation of the Companies Ordinance on payment of dividends whilst the Company had incurred accumulated losses.

The Institute concluded that the Respondent was in breach of the fundamental principle of "*Professional Competence and Due Care*" under sections 100.5(c) and 130.1 of the Code of Ethics for Professional Accountants.

Regulatory action

Based on the foregoing and in lieu of further proceedings, the Council concluded that the following should resolve the complaint:

1. The Respondent acknowledges the facts of the case and non-compliance with the relevant professional standards;
2. The Respondent be reprimanded; and
3. The Respondent pays an administrative penalty of HK\$50,000 and costs of HK\$10,000.

In accordance with Council powers outlined in the Professional Accountants Ordinance and as a part of the regulatory process to handle complaints, a Resolution by Agreement (RBA) may be offered to respondents in cases considered to be moderate after taking into account factors including, but not limited to, the nature and seriousness of a complaint, past disciplinary records of the respondents and any aggravating or mitigating circumstances. An RBA will not be offered in cases involving complaints of dishonesty.

Information on the Institute's complaint handling process and guidelines for Resolution is available at the Institute website under the "Compliance" section at www.hkicpa.org.hk.
