

Hong Kong Institute of
Certified Public Accountants
香港會計師公會

The Hong Kong Institute of Certified Public Accountants is the only statutory licensing body of CPAs in Hong Kong recognized globally as the pre-eminent body of top-tier accountants that leads and serves businesses and the public interest of Hong Kong. At the Institute, we say a CPA is a "success ingredient" in a career, in the business world, and in society as a whole. In building a strong accounting profession, the Institute helps to establish and continuously enhance Hong Kong's reputation as a world-class financial centre.

To meet our business development needs, we are inviting high calibre professional to join us for the following position:

Analyst Programmer, Information Technology, 12 months contract [Ref. C-AO-IT]

Role and Responsibilities:

- Responsible for application programming design and delivery for new implementations and existing systems
- Manage user requirement collection, application programming, testing and production deployment
- UAT coordination and support, test scripts preparation, test execution and defect management
- Work with external vendors
- Provide user support and system enhancement for production systems
- Actively communicate progress to manager and key stakeholders

Qualifications and Required Attributes:

- Recognized degree or diploma in Information Technology, Computer Science or related disciplines
- Over 3 years hands-on experience in application development using Java, MS SQL and Oracle Database
- Experience in data integration or API development
- Experience using SSRS, Oracle BI Publisher or other reporting tools
- Experience in supporting PeopleSoft applications or Programming in PeopleCode would be an advantage
- Willing to put extra effort to deliver quality results according to tight deadlines
