Warm Compress

Promotes muscle relaxation and blood circulation, help soothing **eye fatigue**. Effective warm compress helps promoting **tear secretion**, particularly ideal for people who suffer from **dry eye**. It relieves **eye discomfort**, and **aids sleep** pretty good before bedtime.

Cool Compress

Cool compress relieves eyes from **redness, swelling, heat, pain & itching**, it helps mitigating **eye allergies** caused by seasonal changes or air pollution, **rubbing eyes** or **edema** from getting up in the morning. A cool compress in the morning tackles puffy eyes pretty well.

Thoughtfully Designed

Ergonomic Eye Socket Design

Both Vision Plus and Rio Plus feature an ergonomic eye socket design that is smooth and fits comfortably against your face.

Simple Inject Water System

Using Vision Plus and Rio Plus is easy! With the Simple Inject Water System, you can easily refill your Vision Plus or Rio Plus before your eye massage.

Medical-Grade Silicone

Our hypoallergenic, medical-grade silicone is soft and gentle on the skin, and eco-friendly!

Silicone is also easy to maintain and clean — simply wipe it with an alcohol pad. Plus, silicone will not retain any odors.

Comfortable Head Strap

Our neoprene head strap is soft and flexible to keep you comfortable while using Vision Plus and Rio Plus, and is durable, waterproof, and resistant to pilling. Plus, the strap will not grab or break hair.
