

IN THE MATTER OF

A Complaint made under Section 34(1) of the Professional Accountants Ordinance (Cap. 50) (“the **PAO**”) and referred to the Disciplinary Committee under Section 33(3) of the PAO

BETWEEN

The Practice Review Committee of the Hong Kong      **COMPLAINANT**  
Institute of Certified Public Accountants

AND

Mr. LO, Hung Yan, a CPA      **RESPONDENT**  
Membership No. A04520

Before a Disciplinary Committee of the Hong Kong Institute of Certified Public Accountants

Members:      Mr. LEUNG, Ka Yau (Chairman)  
                    Mr. CHAN, Chak Ming  
                    Mr. CHAN, Conrad  
                    Mr. POGSON, Timothy Keith  
                    Mr. GUEN, Kin Shing

---

**ORDER AND REASONS FOR DECISION**

---

1. This is a complaint made by the Practice Review Committee (“**PRC**”) of the Hong Kong Institute of Certified Public Accountants (the “**Institute**”) against LO, Hung Yan, a certified public accountant (practising) (the “**Respondent**”). Section 34(1)(a)(vi) of the PAO applies to the Respondent.
2. The particulars of the Complaint (the “**Complaint**”) are set out below.

### 3. Background

- 3.1 Under Part IVA of the PAO, the Institute is empowered to carry out practice review on practice units.
- 3.2 The PRC is a statutory committee set up under section 32A of the PAO responsible for exercising the statutory powers and duties in relation to practice review under the PAO.
- 3.3 The practice reviewers, being staff members of the Quality Assurance Department of the Institute (“QAD”), assist and report to the PRC in carrying out those statutory powers and duties.
- 3.4 The QAD concluded a practice review on Antonio & Clayton CPA Limited (Corporate Practice no.: S0490) (the “Practice”) in November 2017, and issued a Reviewer's Report dated 23<sup>rd</sup> November 2018 (the “**Reviewer's Report**”).
- 3.5 The Respondent was the former managing director of the Practice until 17<sup>th</sup> July 2018. At the time of the practice review, the Practice had 2 other practising directors and 6 non-qualified audit staff. In the 18-month period from March 2016 to September 2017, the Practice issued auditor's reports to approximately 340 audit clients, all of which were signed by the Respondent. Apart from 2 insurance brokers, the Practice had no other regulated or listed clients.
- 3.6 The practice review revealed issues concerning the Respondent's integrity. Further, the Reviewer's Report identified significant deficiencies in relation to the Practice's quality control system, which the Respondent was responsible for, as well as the following audit engagements: -
- (a) Client C, an insurance broker, for the year ended 31<sup>st</sup> March 2017; which the Practice performed: -
- (i) a limited assurance engagement in accordance with HKSAE 3000 (Revised)<sup>1</sup> on Client C's compliance with the minimum requirements specified by the Insurance Authority (“IA”), and issued an adverse conclusion on 6<sup>th</sup> September 2017 (“**Assurance Report**”); and

---

<sup>1</sup> Hong Kong Standard on Assurance Engagements 3000 (Revised) *Assurance Engagements Other than Audits or Reviews of Historical Financial Information and Related Conforming Amendments*

(ii) an audit engagement in accordance with HKSA<sup>2</sup> on Client C's financial statements prepared in accordance with HKFRS<sup>3</sup>, and issued an unmodified opinion on 6<sup>th</sup> September 2017 (“Client C FS”);

(b) Client F, a private entity, which the Practice performed the audit in accordance with HKSA<sup>2</sup> with reference to PN 900 (Revised)<sup>4</sup>, and issued an unmodified opinion on 24<sup>th</sup> October 2016 on its financial statements prepared in accordance with SME-FRS<sup>5</sup> for the year ended 31<sup>st</sup> December 2015 (“Client F FS”); and

(c) Client E, a private entity, which the Practice performed the audit in accordance with HKSA<sup>2</sup> with reference to PN 900 (Revised), and issued an unmodified opinion on 15<sup>th</sup> November 2016 on the consolidated financial statements prepared in accordance with SME-FRS for the year ended 31<sup>st</sup> March 2016 (“Client E FS”).

3.7 In view of the magnitude and significance of the issues identified, the Practice Review Committee decided to raise a complaint against the Respondent under section 32D(5) of the PAO.

3.8 A total of 6 complaints are raised against the Respondent.

#### 4. **Relevant professional standards**

##### A. *The Code of Ethics for Professional Accountants (the “Code”)*

4.1 Sections 100.5(a) and 110.2 of the Code which stipulate for the fundamental principle of integrity;

4.2 Sections 100.5(c) and 130.1 of the Code which stipulate for the ability to maintain the level of professional competence and due care to ensure clients receive competent professional service;

---

<sup>2</sup> Hong Kong Standards on Auditing

<sup>3</sup> Hong Kong Financial Reporting Standards

<sup>4</sup> Practice Note 900 (Revised) *Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard*

<sup>5</sup> Small and Medium-sized Entity Financial Reporting Standard

*B. The Hong Kong Standard on Quality Control 1 “Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements” (“HKSQC 1”)*

---

- 4.3 Paragraph 32 of HKSQC 1 which requires the Practice to establish policies and procedures designed to provide it with reasonable assurance that engagements are performed in accordance with professional standards, and the reports issued are appropriate in the circumstances;
- 4.4 Paragraph 11 of HKSQC 1 to ensure the Practice has established and maintained a system of quality control to provide it with reasonable assurance that professional standards have been complied with, and the reports issued are appropriate in the circumstances;

*C. The Hong Kong Standard on Auditing (“HKSA”)*

- 4.5 Paragraph 41 of the HKSA 700 which prohibits the auditor's report to be dated before the auditor has obtained sufficient appropriate audit evidence to support the audit opinion;
- 4.6 Paragraph 6 of HKSA 500 which requires the auditor to obtain sufficient appropriate audit evidence to support the relevant account balances;
- 4.7 Paragraphs 15 to 17 and A22 of HKSA 600 which stipulate for the establishment of an overall group audit strategy and a group audit plan in accordance with HKSA 300, as well as the identification and assessment of the risks of material misstatement through an understanding of the entity (the group and its components) and its environment in relation to the group-wide controls and the consolidation process;
- 4.8 Paragraph 21(a) of HKSA 600 which stipulates for the determination of a group materiality level for the audit of the consolidated financial statements;
- 4.9 Paragraph 11 of HKSA 700 which requires reasonable assurance about whether clients are free from material misstatements in support of the auditor’s unmodified audit opinion;
- 4.10 HKSA 315 (Revised) which stipulates for the working papers to record the key controls of the client's business, their design and implementation evaluations, and support that preliminary analytical procedures have been performed;

- 4.11 HKSA 240 which requires the working papers to demonstrate that a fraud risk assessment has been properly performed for each respective client;
- 4.12 HKSA 320 and HKSA 450 which require the working papers to adequately show the justification for the benchmark used for the determination of audit materiality, the computation and application of performance materiality and a clearly trivial amount;
- 4.13 HKSA 520 which stipulates for the performance of final analytical procedures;
- 4.14 HKSA 230 which requires working papers to be dated to evidence the date of file review; and

*D. The Hong Kong Standard on Assurance Engagements 3000 (Revised) (“HKSAE 3000 (Revised)”)*

---

- 4.15 Paragraphs 48L and 64 of the HKSAE 3000 (Revised) which require the auditor to obtain sufficient appropriate audit evidence to support his conclusion in the Assurance Report.

## **5. The Complaints**

### ***Complaint 1***

- 5.1 Section 34(1)(a)(vi) of the PAO applies to the Respondent in that he failed or neglected to observe, maintain or otherwise apply a professional standard for his failure to comply with the fundamental principle of integrity, when he deliberately backdated his auditor’s report on Client E’s financial statements for the year ended 31<sup>st</sup> March 2016.

### ***Complaint 2***

- 5.2 Section 34(1)(a)(vi) of the PAO applies to the Respondent in that he failed or neglected to observe, maintain or otherwise apply a professional standard in relation to the assurance engagement in respect of Client C for the year ended 31<sup>st</sup> March 2017.

### ***Complaint 3***

- 5.3 Section 34(1)(a)(vi) of the PAO applies to the Respondent in that he failed or neglected to observe, maintain or otherwise apply a professional standard in relation to the audit of Client F's financial statements for the year ended 31<sup>st</sup>

December 2015.

***Complaint 4***

5.4 Section 34(1)(a)(vi) of the PAO applies to the Respondent in that he failed or neglected to observe, maintain or otherwise apply professional standards in relation to the audit of Client E's financial statements for the year ended 31<sup>st</sup> March 2016.

***Complaint 5***

5.5 Section 34(1)(a)(vi) of the PAO applies to the Respondent in that he failed or neglected to observe, maintain or otherwise apply a professional standard for his failure to maintain an adequate quality control system in the Practice.

***Complaint 6***

5.6 Section 34(1)(a)(vi) of the PAO applies to the Respondent in that he failed or neglected to observe, maintain or otherwise apply a professional standard for his failure to maintain professional knowledge and skill at a level required, and act diligently and in accordance with applicable professional standards, to ensure his clients received competent professional services.

**6. Facts and circumstances surrounding the Complaint**

***Complaint 1***

6.1 The practice review revealed that almost all working papers concerning the 2016 audit of Client E were dated after the date of the auditor's report. In response, the Respondent admitted that the auditor's report was dated on 15<sup>th</sup> November 2016 per the client's request in order to meet Client E's tax filing deadline, even though a substantial part of the audit had not been completed.<sup>6</sup>

6.2 The Respondent submitted to the Institute that he merely committed a "technical" breach since the auditor's report was not issued until March 2017 after adequate audit work had been completed.

---

<sup>6</sup> Paragraph 3.1.2(a) of the Reviewer's Report

- 6.3 Audit documentation in respect of Client E indicated that the relevant audit work was performed after the report date of 15<sup>th</sup> November 2016.<sup>7</sup> The Respondent therefore breached paragraph 41 of HKSA 700 which prohibits the auditor's report to be dated before the auditor has obtained sufficient appropriate audit evidence to support the audit opinion.
- 6.4 Further, on the Respondent's own admission, he backdated the auditor's report in response to Client E's request to be consistent with the company's Profits Tax Return dated 16<sup>th</sup> November 2016, which shows that an auditor's report dated 15<sup>th</sup> November 2016 existed. He said that if not for the client's request, the auditor's report should have been dated 6<sup>th</sup> March 2017.
- 6.5 His submission shows that his backdating of the auditor's report was a deliberate act of collusion with Client E to mislead the Inland Revenue Department that a valid auditor's report existed on 15<sup>th</sup> November 2016; when that was not the case.
- 6.6 Based on the above, the Respondent failed to comply with the fundamental principle of integrity as stipulated in sections 100.5(a) and 110.2 of the Code for failing to be straightforward and honest in his professional relationships.
- 6.7 As the Code is a professional standard referred to in the PAO, section 34(1)(a)(vi) of the PAO also applies to the Respondent in this respect.

### ***Complaint 2***

- 6.8 The "Electronic Practice Review Self-Assessment Questionnaire" ("EQS") submitted by the Practice in 2016 contained false information because it stated that the Practice did not have any insurance broker clients. However, Client C is an insurance broker and had been its client since August 2014.<sup>8</sup>

---

<sup>7</sup> The audit programs and working papers of the holding company, EMT (Holdings) Co. Limited, were all dated 18<sup>th</sup> November 2016; and the bank confirmation was dated 21<sup>st</sup> November 2016

<sup>8</sup> Paragraph 3.1.4(a) of the Reviewer's Report; and item #11(g) of the EQS

- 6.9 For Client C, the Respondent provided negative assurance in the Assurance Report that it had complied with the Minimum Requirements concerning professional indemnity insurance specified by the IA.<sup>9</sup>
- 6.10 The IA requires the Company to obtain a certain insurance coverage based on its revenue amount. A copy of the relevant insurance policies was filed in the working papers. However, there was nothing in the working papers to indicate that the Respondent had performed any calculation or assessment to support his conclusion that the relevant Minimum Requirement had been met.
- 6.11 The Respondent did not dispute the fact that no calculation or assessment had been carried out. In this regard, available audit documentation failed to demonstrate that he had complied with paragraphs 48L and 64 of HKSAE 3000 (Revised) to obtain sufficient appropriate audit evidence to support his conclusion in the Assurance Report.
- 6.12 As HKSAE 3000 (Revised) is a professional standard referred to in the PAO, section 34(1)(a)(vi) of the PAO applies to the Respondent.

### ***Complaint 3***

- 6.13 The practice reviewer found that inadequate audit procedures were performed for various accounts reported in Client F FS at year-end including the followings<sup>10</sup>: -
- (a) Trade receivables (應收帳款) of US\$12.8 million;
  - (b) Prepayments (預付帳款) of US\$43.8 million;
  - (c) Other receivables (其他應收款) of US\$90.6 million; and
  - (d) Other payables (其他應付款) of US\$9.4 million.

---

<sup>9</sup> #b under "Basis for Adverse Conclusion" in the Assurance Report

<sup>10</sup> See Client F's Statement of Financial Position (財務狀況表)

- 6.14 In relation to the trade receivables and prepayments (each of which exceeded audit materiality of US\$10.3 million), there were no procedures performed on their recoverability.
- 6.15 As for the “Other receivables” balance which was well over audit materiality, there was no work performed at all according to the working papers.
- 6.16 In respect of the “Other payables”, the balance of US\$9.4 million comprised payables to only 2 creditors, of which one was owed 99% of the balance. There was no work done on this significant balance.
- 6.17 The Respondent did not dispute the above facts and that the work performed was inadequate.
- 6.18 As such, the Respondent failed to obtain sufficient appropriate audit evidence to support the relevant account balances in Client F FS, in accordance with paragraph 6 of HKSA 500.
- 6.19 As HKSAs are professional standards referred to in the PAO, section 34(1)(a)(vi) of the PAO applies to the Respondent.

#### ***Complaint 4***

- 6.20 The working papers show that the audit team did not perform adequate audit planning for Client E at the consolidated group level as the working papers only showed that some planning was done at the entity level.
- 6.21 As such, the Respondent failed to comply with paragraphs 15 to 17 and A22 of HKSA 600 for his failure to: -
- (a) establish an overall group audit strategy and develop a group audit plan in accordance with HKSA 300; and
  - (b) identify and assess the risks of material misstatement through an understanding of the entity (the group and its components) and its environment in relation to the group-wide controls and the consolidation

process.

- 6.22 There was also no evidence that the Respondent had determined a group materiality level for the audit of the consolidated financial statements in accordance with paragraph 21(a) of HKSA 600.
- 6.23 The Respondent did not dispute the above findings.
- 6.24 Further, the Respondent also failed to obtain sufficient appropriate audit evidence in relation to revenue from construction and decoration works of HK\$14.5 million recorded in Client E FS<sup>11</sup>, as further explained in paragraphs 6.25 and 6.26 below.
- 6.25 Revenue recognition policy relating to construction and decoration works was not disclosed in note 2(a) to Client E FS nor stated in the audit working papers. As such, there was no evidence to demonstrate that the Respondent had performed any procedures to obtain reasonable assurance that this material revenue amount was properly recognized in Client E FS.
- 6.26 There was also no evidence of any work performed on the followings: -
- (a) adjustments made on 1<sup>st</sup> April 2015 (first day of the fiscal year) and at year-end in the net amount of approximately HK\$2.1 million (which exceeded audit materiality) to reduce the revenue; and
  - (b) reasonableness of Client E's gross margin which increased from 11% in 2015 to 22% in 2016.
- 6.27 In respect of purchases totalling HK\$1.5 million, there was nothing in the working papers to suggest that any audit procedures had been performed on this material item which was included in "Direct costs of services" in Client E FS.

---

<sup>11</sup> The revenue was generated by a major subsidiary of Client E, which audit materiality was determined at HK\$293,000

- 6.28 The Respondent did not dispute that inadequate work was carried out to ascertain the accuracy of the revenue and costs of services as recorded in Client E FS.
- 6.29 Based on the above, the Respondent breached paragraph 6 of HKSA 500 for failing to obtain sufficient appropriate evidence to support these 2 material accounts.
- 6.30 As such, the Respondent also failed to comply with paragraph 11 of HKSA 700 for failure to have obtained reasonable assurance about whether Client E FS was free from material misstatements in support of his unmodified audit opinion.
- 6.31 As HKSAs are professional standards referred to in the PAO, section 34(1)(a)(vi) of the PAO applies to the Respondent.

#### ***Complaint 5***

- 6.32 Paragraph 32 of HKSQC 1 requires the Practice to establish policies and procedures designed to provide it with reasonable assurance that engagements are performed in accordance with professional standards, and the reports issued are appropriate in the circumstances.
- 6.33 The significant findings as noted in Complaints 2 to 4 above pointed to the Practice's failure to comply with relevant professional standards in relation to 3 engagements.
- 6.34 Further, the Reviewer's Report also identified significant deficiencies in the Practice's audit methodology when the audit working papers of Clients C, F and E failed to support that the Practice had complied with the relevant requirements of: -
- (a) HKSA 315 (Revised) in that the working papers did not record the key controls of the client's business, their design and implementation evaluations; nor support that preliminary analytical procedures had been

performed;<sup>12</sup>

- (b) HKSA 240 in that the working papers did not demonstrate that a fraud risk assessment had been properly performed when for each respective client, the working papers “Audit Highlights” and “Audit Planning Memorandum” essentially just showed a conclusion that fraud risk was low; and yet, there was no evidence of any procedures performed to support such a conclusion;<sup>13</sup>
- (c) HKSA 320 and HKSA 450 in that the working papers did not adequately show the justification for the benchmark used for the determination of audit materiality, the computation and application of performance materiality and a clearly trivial amount;<sup>14</sup>
- (d) HKSA 520 in that there was no evidence that final analytical procedures had been performed;<sup>15</sup> and
- (e) HKSA 230 in that certain working papers were not dated to evidence the date of file review.<sup>16</sup>

6.35 The Respondent did not dispute the above findings.

6.36 The above not only demonstrated that the Respondent, being responsible for the Practice's quality control system, had failed to comply with paragraph 32 of HKSQC 1; and also paragraph 11 of HKSQC 1 for his failure to ensure the Practice had established and maintained a system of quality control to provide it with reasonable assurance that professional standards had been complied with, and the reports issued were appropriate in the circumstances.

6.37 As HKSQC 1 is a professional standard referred to in the PAO, section 34(1)(a)(vi) of the PAO applies to the Respondent.

---

<sup>12</sup> Paragraph 3.1.1(a)(vi) of the Reviewer's Report

<sup>13</sup> Paragraph 3.1.1(a)(ii) of the Reviewer's Report

<sup>14</sup> Paragraphs 3.1.1(a)(iii) and (iv) of the Reviewer's Report

<sup>15</sup> See footnote 12

<sup>16</sup> Paragraph 3.1.1(b) of the Reviewer's Report

## ***Complaint 6***

- 6.38 The multiple breaches as identified in Complaints 2 to 4 above demonstrated the Respondent's failure to comply with applicable professional standards when conducting professional engagements for Clients C, F and E, which the Respondent signed off the respective auditor's reports.
- 6.39 The breach of HKSQC 1 as stated in Complaint 5 above also highlighted the Respondent's failure to have a proper quality control system in place to uphold an appropriate standard with regards to the Practice's engagement performance.
- 6.40 The significance and broad spectrum of breaches as identified in Complaints 2 to 5 above cast serious doubts on the Respondent's ability to maintain the level of professional competence and due care expected of him to ensure his clients received competent professional service. As such, the Respondent also breached sections 100.5(c) and 130.1 of the Code.
- 6.41 As the Code is a professional standard referred to in the PAO, section 34(1)(a)(vi) of the PAO also applies to the Respondent in this respect.

## **7. The Order**

7.1 Having considered: -

- (i) the seriousness of the offences committed by the Respondent;
- (ii) the submissions on sanctions and costs by the Complainant and the Respondent;
- (iii) past similar cases which show similar features to the present case;
- (iv) the mitigating factors as listed under Section 7 of the Guideline to Disciplinary Committee for Determining Disciplinary Orders; and
- (v) the facts and circumstances as a whole;

the Disciplinary Committee ordered that:-

- (a) the Respondent be reprimanded under section 35(1)(b) of the PAO;

- (b) the Respondent do pay a penalty of HK\$70,000.00 under section 35(1)(c) of the PAO;
- (c) the current practising certificate issued to the Respondent be cancelled effective from 42 days from the date hereof under section 35(1)(da) of the PAO;
- (d) a practising certificate shall not be issued to the Respondent for 24 months effective from 42 days from the date hereof under section 35(1)(db) of the PAO; and
- (e) the Respondent do pay the costs and expenses of and incidental to the proceedings of the Complainant in the sum of HK\$67,776.00 under section 35(1)(iii) of the PAO.

7.2 This decision was made by the Disciplinary Committee's members. All 5 members of the Disciplinary Committee agreed with the decision.

Dated the 8<sup>th</sup> day of April 2020
