### **A. Introduction**

1. The Private Columbaria Ordinance (Cap. 630) (“the Ordinance”), which regulates the operation of private columbaria through a licensing scheme, came into effect on 30 June 2017. The Ordinance aims to ensure that private columbaria are operated in compliance with statutory and government requirements, to enhance the protection of consumer interest, and to ensure that the mode of operation of the trade is sustainable.
2. Under the licensing regime of the Ordinance, a person must not operate a columbarium otherwise than under a “specified instrument”. There are three types of specified instruments, which include:
  - licence;
  - exemption; and
  - temporary suspension of liability.
3. The Private Columbaria Licensing Board (“PCLB”) was established to regulate the operation and management of columbaria. Under the Ordinance, the PCLB may, on application and subject to any conditions that the PCLB thinks fit to impose, issue a specified instrument or renew/ extend it. An *Application Guide for Private Columbarium Licence and Other Specified Instruments* (“Guide”)<sup>1</sup> was promulgated by the PCLB, which serves to facilitate applicants in understanding the requirements for applying for specified instruments and related issues.
4. Chapter 19 of the Guide sets out some conditions that the PCLB will normally impose on specified instruments and provide some reminders for reference. Among the conditions applicable to a licence, Condition No. 24 (a) – (d) in this chapter set out the restrictions on the niches in the register entitled “Endorsed registers on pre-cut-off sold niches<sup>2</sup> covered by the land regularization fees waiving arrangement” endorsed by the PCLB (“endorsed registers”).

<sup>1</sup> The Guide can be found in the website of the Food and Environmental Hygiene Department: <https://www.fehd.gov.hk/pclb/english/guide.html>

<sup>2</sup> “Pre-cut-off sold niches” referred to niches which were sold before the cut-off time i.e. 8 a.m. on 18 June 2014.

5. The holder of a licence is required to submit to the PCLB annually within six months after the end of each financial year (except otherwise specified by the PCLB), after the issue of the licence, a written report on the compliance by the columbarium with the restrictions set out in Condition No. 24(d) of the Guide (i.e. no additional fees or charges beyond the amounts specified in the agreements for the sale of interment right of the niches in the endorsed registers is charged) in respect of the niches in the endorsed registers attached to the licensing conditions in the respective preceding 12-month period. The report must be prepared by a certified public accountant holding a practising certificate or a CPA firm or a corporate practice registered under the Professional Accountants Accounting and Financial Reporting Council Ordinance (Cap. 50588).
6. The purpose of this Circular is to provide guidance to certified public accountants (practising) ("practitioners")~~members~~ when undertaking such engagements.

#### **B. Agreed-Upon Procedures Report**

7. The Institute's Auditing and Assurance Standards Committee ("AASC"), in consultation with the Food and Environmental Hygiene Department, has determined that an agreed-upon procedures engagement conducted in accordance with Hong Kong Standard on Related Services ("HKSRs") 4400 (Revised) *Agreed-Upon Procedures Engagements* and the guidance provided in this Circular would generally be suitable for reporting as mentioned in paragraph 5 above.

#### **C. Licence Holder's Responsibilities**

8. According to Condition No. 24 of the Guide, the holder of a licence must keep a register of all payments received in respect of each of the niches in the endorsed registers using the template set out at Annex 38, *Register of all payments received after the issue of the licence in respect of pre-cut-off sold niches covered by the land regularization fees waiving arrangement* ("payment register") of the Guide.
9. The licence holder must provide to the practitioner~~practising member~~ all relevant information and documents, including but not limited to the above-mentioned endorsed registers and payment register.

#### **D. Practitioner's~~Practising Member's~~ Responsibilities**

10. The practitioner~~practising member~~ is required only to perform work in relation to the restrictions set out in Condition No. 24(d) of the Guide. As the practitioner~~practising member~~ simply provides a report of the findings of agreed-upon procedures performed, no assurance is expressed. Instead, the users of the report assess for themselves the procedures and findings reported by the practitioner~~practising member~~ and draw their own conclusions as to whether the columbarium has complied with the restrictions set out in Condition No. 24(d) of the Guide.

11. The ~~practitioner~~~~practising member~~ is not required to check the authenticity of the information as provided by the licence holder.
12. Appendix 1 to this Circular contains an example agreed-upon procedures report that is based on HKSRS 4400 (Revised) which will be effective for agreed-upon procedures engagements for which the terms of engagement are agreed on or after 1 January 2022. The ~~practitioner~~~~practising member~~ is reminded that it provides an illustrative example only. The ~~practitioner~~~~practising member~~ is required to agree with the holder of a licence on the actual procedures specific to the columbarium.
13. HKSRS 4400 (Revised) introduced requirements and application material to provide more clarity in the agreed-upon procedures report. The ~~practitioner~~~~practising member~~ is reminded to read HKSRS 4400 (Revised) for the requirements.
14. In particular, the ~~practitioner~~~~practising member~~ should refer to paragraphs 21 – 23 and A28 – A38 of HKSRS 4400 (Revised) for the engagement acceptance and continuance conditions. The ~~practitioner~~~~practising member~~ shall include the terms as set out in paragraph 24 of HKSRS 4400 (Revised) in the engagement letter. Among the terms, the engagement letter shall include the purpose of the engagement and the intended users of the agreed-upon procedures report as identified by the engaging party. An illustrative engagement letter for an agreed-upon procedures engagement can be found in Appendix 1 to HKSRS 4400 (Revised).

#### **E. Reporting Period**

15. The first reporting period for the holder of a licence will be indicated in the actual condition specified by the PCLB as attached to the licence.

#### **F. Comments and Feedback**

16. The AASC welcomes your comments and feedback, which should be sent to the Standard Setting Department at: [commentletters@hkicpa.org.hk](mailto:commentletters@hkicpa.org.hk).

Date of Circular: 27 February 2023~~10 December 2021~~

#### Based on HKSRS 4400 (Revised), *Agreed-Upon Procedures Engagements*

(Effective for agreed-upon procedures engagements for which the terms of engagement are agreed on or after 1 January 2022)

For purposes of this illustrative agreed-upon procedures report, the following circumstances are assumed:

### AGREED-UPON PROCEDURES REPORT

To the Licence Holder of [Name of Columbarium] ("the Columbarium") of Licence Number: [XXXX] (the "Licence Holder")

#### **Purpose of this Agreed-Upon Procedures Report and Restriction on Use and Distribution**

Our report is solely for the purpose of assisting the Licence Holder in reporting to the Private Columbaria Licensing Board ("PCLB") in respect of the restriction set out in Condition No. 24(d) of the *Application Guide for Private Columbarium Licence and Other Specified Instruments* promulgated by the PCLB and may not be suitable for another purpose. This report is intended solely for the Licence Holder, and should not be used by, or distributed to, any other parties, except that we agree that a copy of this report may be provided to the PCLB.

## Responsibilities of the Licence Holder

The Licence Holder has acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

The Licence Holder is responsible for the payments received during the period from [date] to [date] on the niches in which the interment rights were sold before the cut-off time (i.e. 8 a.m. on 18 June 2014) by the Columbarium and with land regularization fees waived by the Government, as set forth in the *Register of all payments received after the issue of the licence in respect of pre-cut-off sold niches covered by the land regularization fees waiving arrangement* (“Payment Register”), attached at Annex A<sup>1</sup> on which the agreed-upon procedures are performed.

## Practitioner’s Responsibilities

We have conducted the agreed-upon procedures engagement in accordance with the Hong Kong Standard on Related Services (HKSRs) 4400 (Revised), *Agreed-Upon Procedures Engagements*. An agreed-upon procedures engagement involves our performing the procedures that have been agreed with the Licence Holder, and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness of the agreed-upon procedures. We expressly disclaim any liability or duty to any other party for the content in this report.

This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported.

### *Professional Ethics and Quality Control*

We have complied with the ethical requirements of the HKICPA’s *Code of Ethics for Professional Accountants* (“the Code”) and the independence requirements in Part 4A, Chapter A of the Code.

Our firm applies Hong Kong Standard on Quality Control (HKSQC) 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements*<sup>2</sup>, and accordingly, maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

---

<sup>1</sup> Attach the Payment Register with the report. According to Condition No. 24 of Chapter 19 of the *Application Guide for Private Columbarium Licence and Other Specified Instruments* (“the Guide”), the holder of a licence must keep this register and a template of it is set out in Annex 38 to the Guide. The Payment Register records payments received after the issuance of licence from pre-cut-off sold niches. These niches may or may not have sales agreements of interment right. For niches with sales agreements, procedures 1 – 4 apply; for niches without sales agreements, procedures 1 and 5 apply.

<sup>2</sup> Hong Kong Standard on Quality Management (“HKSQM”) 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements* replaces HKSQC 1. Practitioners are required to have systems of quality management designed and implemented in accordance with HKSQM 1 by 15 December 2022.
