The Hong Kong Institute of Certified Public Accountants is the only statutory licensing body of CPAs in Hong Kong recognized globally as the pre-eminent body of top-tier accountants that leads and serves businesses and the public interest of Hong Kong. At the Institute, we say a CPA is a "success ingredient" in a career, in the business world, and in society as a whole. In building a strong accounting profession, the Institute helps to establish and continuously enhance Hong Kong's reputation as a world-class financial centre.

To meet our business development needs, we are inviting high calibre professionals to join us for the following position:

ASSOCIATE MANAGER, INFORMATION TECHNOLOGY [Ref. AM-IT]

Role and Responsibilities

- Responsible for design and delivery for new system implementations as well as enhancements of existing systems
- Take the lead to troubleshoot, identify and resolve technical problems
