

The Hong Kong Institute of Certified Public Accountants is the only statutory licensing body of CPAs in Hong Kong recognized globally as the pre-eminent body of top-tier accountants that leads and serves businesses and the public interest of Hong Kong. At the Institute, we say a CPA is a "success ingredient" in a career, in the business world, and in society as a whole. In building a strong accounting profession, the Institute helps to establish and continuously enhance Hong Kong's reputation as a world-class financial centre.

To meet our business development needs, we are inviting high calibre professionals to join us for the following position:

MANAGER (PART-TIME), EDUCATION AND TRAINING [Ref. M(PT)-E&T]

The successful candidate will assist the Associate Director in all matters pertaining to the Institute's professional examinations, student admission and programme accreditation under the Qualification Programme (QP).

Role and Responsibilities

- Provide technical support to the Education & Training Department and specifically to the Institute's Qualification and Examinations Board in areas pertaining to examination setting and marking of the Institute's professional examinations
- Provide technical support in programme accreditation, vetting of academic qualifications and application for module exemptions under the new QP
- Assist in formulating policies relating to module exemptions and examination paper settings.
- Liaise with different stakeholders (e.g. examination panelists, accredited programme providers, practitioners and applicants) for all matters pertaining to paper settings, student admission and/ or programme accreditation
- Provide administrative and secretariat support to various committees and subgroups served by the Department of Education & Training of the Institute
- On a half-day basis, detailed schedule to be discussed.

Qualifications and Required Attributes

- A recognized university degree in accounting/ finance/ business
- CPA with a minimum of 5 years' post qualification experience, preferably gained in firms of CPAs/ tertiary institutions and has experience in providing training
- A strong technical background, preferably with knowledge of business finance
- A good understanding of the QP philosophy and the curriculum and academic standards of various levels of accountancy study programmes offered by local, Mainland or overseas tertiary institutions will be an advantage
- Well-organized, able to work on own initiative and supervise subordinate staff
- Good communication and presentation skills and able to interact with all levels, both within and outside the organization, and represent the Institute with professionalism
- Excellent command of written and spoken English and Chinese; computer literacy and able to prepare precise and concise reports. Proficiency in Putonghua would be an advantage
