About ITIG Technology Forum Talk ("TFT")

Starting in 2004, in order for ITIG members to continue to be at the forefront of information technology, your ITIG has specially created the Technology Forum Talk ("TFT") which will take place monthly on a Friday evening at the HKICPA Conference Room. The Forum will consist of a series of talks given by the Hong Kong and overseas IT experts on delivering what's new in IT in HK or in global markets, so that members are well aware of the latest world trends so as to appropriately position themselves in the market place.

About the "TFT" topic on 14 May 2004

- Introduction of Electronic Product Code (EPC) / Radio Frequency Identification (RFID)
- How does EPC work
- New Opportunity that EPC will bring to Hong Kong

About the Speaker
