

Members' Forum for Young Members

About the forum

The Institute is organizing a forum on 27 October (Thursday) to understand more about your needs, interests and concerns. Come and share your views on the following services and programmes and other relevant matters with the Institute's president, chief executive, Young Members Committee chair and fellow members:

- Members' engagement, including outreaching to other young members
- Support services and activities
- [Financial Controllership Programme](#)
- [Mentorship Programme](#)

There is also a group discussion for you to exchange views with other young members.

The Institute's Young Members Committee (formerly known as Young Members Group), was formed in 2011, aiming to provide a platform for young members to build business network and contacts, and facilitate their career development through a variety of events including cross-professional functions, social and networking events and Mainland study tours. Join the [young members Facebook](#) to keep updated with more news and events.
