Enrolment Terms and Conditions

Application Important Notes

Unless otherwise specified, applications for courses run at the Wanchai campus will be accepted up to one hour before the commencement of each course. However it is advisable to register well in advance as places are limited. Applications will be handled on a first-come first-served basis unless otherwise specified.

Enrolment and Payment Methods

When enrolling for a course, applicants should provide accurate names (as shown on your HKID card), postal addresses, contact telephone numbers and email addresses, so that EXCEL can contact you in case of class change as and when necessary.

Applications can be made by a representative, however, the applicant's name and contact details must be accurately presented at the time of enrolment so that EXCEL will be able to verify course participant identity, and more importantly, to contact every participant in the case of class change.

Course Discount

A 20% discount will be offered to the HKICPA members in the July 2015 – June 2016. The discount stated above cannot be used in conjunction with other discount offers.

EXCEL reserves the right to a final decision in case of dispute.

Course Cancellation, Change of Course Specification

EXCEL reserves the right to cancel any course whether it has started or not; and to alter the course content, course instructor, date and/or time, venue and number of sessions to accommodate unforeseen circumstances. EXCEL will endeavour to inform all participants who have submitted contact details at enrolment should necessary changes occur. If in doubt, participants are encouraged to enquire on 2584 8721. The above changes, when necessary, do not constitute a basis for requests for refunds.

EXCEL reserves the right to cancel a course within a reasonable timeframe before the course commences if the number of applicants is below the requisite minimum, in which case course fees will be refunded in full. In the event of course cancellation, EXCEL will notify the affected participants as soon as possible and all refunds will be issued within one month by EXCEL after all necessary documents are received.

Course Refund

Irrespective of the commencement date of a course, no refund will be made except in the following circumstances:

a) The course is cancelled, in which case the course fees will be refunded to the participants in full. All refunds will be issued within a month by EXCEL after all necessary documents are received. Refunds will be made in the same format that course fee was initially received from each participant.

b) The participant cannot attend 40% or more of the course due to injury or illness. In this case, the participant needs to inform EXCEL in writing as soon as the injury occurs, accompanied by relevant medical certifications, and no later than 5 working days of the injury. Applications later than that date will not be entertained. Only remaining class sessions of not more than 40% of the course will be refunded.

Applicants for withdrawal and refund will need to fill in the Course Refund Form issued by EXCEL, and return the form together with an administrative fee of \$100 cheque payable to EXCEL Ltd as administrative charge. (If the course is cancelled by EXCEL, no administrative charge is required.)

Course Transferral

Once admitted to a course, participants may not change to another course without valid reasons and prior approval from EXCEL.

Fees and places on courses are not transferable from one enrollee to another.

Students who cannot attend a course due to unforeseen circumstances, such as a business trip or alteration in work hours, are advised to apply to transfer to another course. Such unforeseen circumstances do not constitute a basis for requests for refunds.

Transfers can only be made to the courses run in the same term and at the same campus location. An administrative fee of HK\$100 will be levied when applying for transfer between courses. Applicants need to fill in the Course Transferral Application Form available from the EXCEL office, and the completed form should be return to the EXCEL office together with a \$100 cheque payable to EXCEL Ltd as administrative charge.

EXCEL may, at its discretion, reject any application for transfer of course.

The application fee cheque will be returned should the application for transferral be rejected.

Course Participant Identity

Applicants accepted to a course will be issued an official receipt. The official receipt must be presented at the first class for verification. Participants may not enter the class without an official receipt. Applicants who apply via the mail must ensure you get the receipt in time for presentation at the first class. For assistance, please call our office on 2584 8721. Only enrolled participants whose names are on official receipts are allowed to attend course sessions. A participant cannot find a replacement to attend a session that the participant cannot attend. Unless specified or approved by EXCEL, participants cannot invite their friends / relatives to observe the class. EXCEL may request participants to show their Hong Kong Identity Card or produce other sufficient proof of identity and/or age.

The age range for courses is set in consideration of (1) students' learning abilities and (2) the overall management of student safety in the class. Parents who wish to enrol their under-aged children please carefully assess the above two points before doing so.

Statement of Attendance

Students can apply for a Statement of Attendance at a cost of \$80 each if they have attended no less than 75% of the classes.

To apply for a Statement of Attendance, please fill in the Statement of Attendance Application Form (available from the EXCEL office or downloadable from EXCEL's website) and submit the form by post or in person to EXCEL with a crossed cheque of HK\$80 handling fee. The cheque should be made payable to EXCEL Ltd.

The Statement of Attendance will take about 4 weeks to process, and it will be posted to the student at the address shown in the Statement of Attendance Application Form.
