Format

1. This is a singing competition exclusively for pop songs in Cantonese, Putonghua or English.
2. Contestants are welcome to use their own MMO file or select from the song repertoire available at the venue. The former is preferred to ensure there is no variation in the versions of each song. Contestants who wish to use the MMO version, please submit your MMO file **by 13 November**.
3. Contestants are not allowed to perform songs in concert style.
4. If a song is chosen by more than one contestant, the contestant/group who enrolled first will have priority.
5. Each contestant must provide a copy of the lyrics *in PDF format* for the judges' reference.
6. The "Most Popular Contestant" award (最受歡迎歌手獎) is based on votes from the fellow contestants, while the "Best Stage Presence" award (最佳台風獎) is based on the judges' decisions.
7. A contestant may enter into both the solo and group divisions, subject to the number of enrolments.
8. No request for change of song will be permitted after enrolment is confirmed, except in the event of duplicate entries.
9. Contestants are expected to memorize all lyrics. No visual aids, other than background music, are allowed during competition.

Solo division:

1. The solo division will be conducted in two rounds – the first round and a bonus round. Both rounds will be held on 27 November.
2. During the first round, each contestant performs a song of their choice, in accordance to the pre-drawn sequence.
3. The top five scoring contestants from the first round will enter into the bonus round. They will be asked to perform a designated song (song name to be announced two weeks before the contest) without any background music (清唱) and at any key for a *maximum of 1 minute*. Contestants may choose to sing any part of the song, within the one minute time frame and in any style they prefer. These final five contestants will have a chance to earn bonus points to be added to their total score.
4. The three contestants with the highest scores, including scores earned from the bonus round, will be awarded the champion, 1st runner-up and 2nd runner-up.

Group category:

1. Each group may include up to four singers.
2. There is no final round for the group category.
3. The three group contestants with the highest scores will be awarded the champion, 1st runner up and 2nd runner up.

1. The duration of each song should not exceed six minutes in regular rounds, or 1 minute during the bonus round.
2. Contestants are not allowed to alter the echo of the microphone.
3. Decisions made by the judging panel are final, and no appeals will be accepted.
4. Contestants who breach any of the rules are subject to disqualification.
