Mr. Marcus A. Guenther, MBA, CA

Price

HK\$1,000 Member/Student

HK\$1,500 Non-member

Over 200 pages of practical advice for equipping your firm on quality control

- A *guide to Quality Control* will assist you and your CPA firm in **understanding, developing and documenting quality control policies and procedures in accordance with Hong Kong Standard on Quality Control 1.**
- The guide outlines **objectives of good control and risks associated with poor quality control.**
- The guide helps CPA firms establish a system of quality control which provides the firms with **a reasonable assurance** that they and their personnel comply with professional standards and regulatory and legal requirements, and that their reports issued are appropriate in the circumstances.
- The guide focuses on the **development of quality control policies and procedures for CPA firms.**

A Value-Added Guide

- The guide contains sample quality control manuals and practice aids to suit different size of CPA firms:
 - sole practitioners without professional staff
 - sole practitioners with professional staff
 - small to medium-sized firms without listed entity audits
 - small to medium-sized firms with listed entity audits
- Other reference materials that may be helpful in addressing specific issues.
- For ease-of-use, templates of the sample quality control manuals in Word format and the appendices are included in the CD-Rom that accompanies the guide. The Word files can be used to customise the appropriate policies, forms and sample engagement letters to meet your firm's specific needs.
