Hong Kong Tax Library Online

CCH has integrated its two authoritative Hong Kong tax publications into one online product. Hong Kong Tax Library Online combines and cross-links Hong Kong Tax Manual -- the most complete and easy-to-use Hong Kong tax practice guide available -- and Hong Kong Revenue Legislation, the much-relied-on comprehensive and fully searchable annotated compendium of Hong Kong tax legislation and case law. So you just "ask" the CCH online data, and get absolutely everything you need to know to make a decision. You can even cut and paste within any document and assemble a specific, dedicated file or folder for hands-on use.

Hong Kong Revenue Legislation (Print or Online)

This publication is an invaluable aid to those doing business in, or with, Hong Kong. It is the only completely up-to-date consolidated revenue legislation and case reporting service currently available in Hong Kong. Also features special dispatches that offer timely coverage of important developments between regular updates.

Hong Kong Tax Manual (Print or Online)

This loose-leaf service provides a comprehensive explanation and practical interpretation of Hong Kong's revenue laws. It contains answers to all the practical tax issues related to operating a business in Hong Kong. Special dispatches that offer timely coverage of important developments between regular updates are included in the subscription.

Hong Kong Company Secretary Practice Manual Online

Written specially for practitioners in Hong Kong, WHKCS provides a concise explanation of the laws and issues affecting corporate secretarial practice. The guide provides a comprehensive mix of commentary, specimen minutes, and resolutions as well as full reproduction of prescribed forms, and selected guidelines and codes to help the company secretary or those in a compliance role understand and apply the requirements under company and securities law in fulfilling their obligations to their company and its offices.

- Acts as a step-by-step guide in the completion of corporate secretarial forms, including Forms NC1, NC1G, SC1, R3, D5, D6, D8, ARI, AR2, AR3 and many comprehensive checklists, sample resolutions and Articles of Associations.
- Latest update includes references to Companies Ordinance, the Companies Regulations, and the Business Registration Ordinance, and other related legislation.

China Laws for Foreign Business – Taxation and Customs (Print or Online)

With China's open door policy, foreign business entities are seeking wealth in this vast market. However, limited media exposure, unclear political environment, cultural difference and changing policies make it difficult for foreign investors to manage various situations. With this critical bilingual reference source, investors are well prepared to tackle myriad tax and customs issues.

China Tax & Custom Law Guide (Print or Online)

This commentary is an essential guide for doing business in China. It is a practical interpretation of the current complicated China tax and

customs system and provides a clear understanding of how the system has developed to date. The publication contains direct cross-references to China Laws for Foreign Business - Taxation and Customs and offers an in-depth analysis of the China tax and customs laws and regulation.

Asia Tax Planning & Compliance – 14 Countries Online

CCH's Asia Tax Planning and Compliance is an online tax database and advisory tool designed to help regional tax professionals. It combines the breadth of taxation information of 14 countries in Asia with deep knowledge of local tax laws and expertise.

With expert commentary, case studies, and references to recent and relevant legislation, Asia Tax Planning and Compliance is a comprehensive, commentary-based resource. Use it for in-depth tax information for 14 countries in Asia – China, Hong Kong, India, Indonesia, Japan, Korea, Malaysia, Philippines, Singapore, Taiwan, Thailand, and the newly developing economies of Vietnam, Laos and Cambodia.

**Individual country subscription is also available, please consult with Wolters Kluwer HK for details.*

Worldwide Business Tax Guide Online

Your essential global cross-border tax resource, this service provides quick answers to pressing international tax and business questions, minimising risk, reducing costs and increasing productivity. The Guide gives you in-depth tax information to support corporate investment decisions and oversee tax compliance matters of overseas subsidiaries or branches. It enables busy tax professionals to understand cross-border and business issues before engaging foreign tax advice.

International Tax Treaty Expert Library Online

This valuable, all-in-one resource provides you with important international tax treaties-related content and tools to help you get quick answers to questions pertaining to international tax rates. It includes a continuously updated, vast collection of tax treaties from around the world and an easy-to-use practice tool for quick access to important tax rate information within these treaties.

Written by leading international tax rates experts, the International Tax Treaty Expert Library contains the analytical and practical content you need, presented in distinct topic areas. It includes the most complete and up-to-date coverage of international income and international tax rates, agreements and protocols you'll find today — all in English.

International Offshore Financial Centre (Print or Online)

International Offshore Financial Centres provides comprehensive, up-to-date information on 29 countries which offer competitive tax regimes. It provides a general outline of the tax system in each jurisdiction and discusses specific tax planning issues relating to the use of that jurisdiction in the foreign business structure. Topics are treated consistently across countries so you can quickly and easily compare jurisdictions and hypothetical scenarios illustrate planning strategies in a visual and practical way.
