About the programme

HKICPA and CIMA proudly present a two-day workshop, specifically for HKICPA members who intend to excel in financial and management skills and to develop business acumen and commercial awareness. This session is based on Paper 3 - Performance Strategy of the CIMA professional qualification.

The learning aims of the course are to:

- evaluate and advise on management and internal control systems for a range of risks;
- plan a review process, including an internal audit, of such systems;
- evaluate alternatives and advise on the management of financial risks; and
- advise on the development of information systems that support the risk control environment.

Under the Mutual Examinations Paper Exemptions agreement that the Hong Kong Institute of CPAs signed with CIMA in September 2006, all Hong Kong Institute of CPAs members are exempted from 13 out of 15 papers of CIMA examinations. HKICPA members are only required to sit 2 papers (P3[^] and the Test of Professional Competence in Management Accounting) for the purpose of acquiring the CIMA qualification and becoming a Chartered Management Accountant. More information can be found at www.cimaHongKong.com.

[^]P3 Management Accounting Risk and Control Strategy exam has been changed to P3 Performance Strategy exam, which will be examined from May 2010.
