# How Common Law and Equity Assist Liquidators in Assets Recovery

## About the topic

Whilst insolvency practitioners are generally familiar with the statutory armoury for assets recovery, remedies at common law and equity are often not fully understood. At this seminar, Ludwig Ng of ONC Lawyers will discuss recent developments in such remedies. Topics to be covered include:

- fiduciary duties at insolvency
- negligence claims against independent directors
- knowing receipts
- > unjust enrichment
- > dishonest assistance
- > relevant limitation periods

Hong Kong and English authorities will be used to illustrate the relevant principles.
