The International Accounting Standards Board invites comments on the proposed amendments to IFRS 1 *First-time Adoption of International Financial Reporting Standards*.

Proposed amendments to IFRS 1 *First-time Adoption of International Financial Reporting Standards*

Appendix B

Exceptions to the retrospective application of other IFRSs

Paragraph B2 is amended (new text is underlined and deleted text is struck through).

Derecognition of financial assets and financial liabilities

- B2 Except as permitted by paragraph B3, a first-time adopter shall apply the derecognition requirements in IAS 39 *Financial Instruments: Recognition and Measurement* prospectively for transactions occurring on or after 1 January 2004 ~~1 January 2004~~ the date of transition to IFRSs. In other words, if a first-time adopter derecognised non-derivative financial assets or non-derivative financial liabilities in accordance with its previous GAAP as a result of a transaction that occurred before 1 January 2004 ~~1 January 2004~~ the date of transition to IFRSs, it shall not recognise those assets and liabilities in accordance with IFRSs (unless they qualify for recognition as a result of a later transaction or event).

Appendix D

Exemptions from other IFRSs

Paragraph D20 is amended (new text is underlined and deleted text is struck through).

Fair value measurement of financial assets or financial liabilities at initial recognition

- D20 Notwithstanding the requirements of paragraphs 7 and 9, an entity may apply the requirements in the last sentence of IAS 39 paragraph AG76 and in paragraph AG76A, ~~in either of the following ways:~~ prospectively to transactions entered into on or after the date of transition to IFRSs.
- (a) ~~prospectively to transactions entered into after 25 October 2002; or~~
- (b) ~~prospectively to transactions entered into after 1 January 2004.~~

Effective date

Paragraph 39F is added.

- 39F *Removal of Fixed Dates for First-time Adopters* (Amendments to IFRS 1), issued in [date], amended paragraphs B2 and D20. An entity shall apply those amendments for annual periods beginning on or after [date to be inserted after exposure]. Earlier application is permitted.

Basis for Conclusions

This Basis for Conclusions accompanies, but is not part of, the proposed amendments.

- BC1 IFRS 1 *First-time Adoption of International Financial Reporting Standards* requires a first-time adopter to restate past derecognition transactions that occurred after 1 January 2004. This requirement was included in IFRS 1 as a result of the revision to IAS 39 *Financial Instruments: Recognition and Measurement* in 2003, to place entities then adopting IFRSs for the first time in the same position as existing IFRS users at that time. As time passes, the fixed transition date of 1 January 2004 becomes more remote and increasingly less relevant to the financial reports of additional jurisdictions that will adopt IFRSs.
- BC2 In 2010 the International Accounting Standards Board was asked to reconsider whether 1 January 2004 is the appropriate date at which a first-time adopter should be required to restate past derecognition transactions since 1 January 2004. At its meeting in July 2010 the Board accepted that the cost of reconstructing transactions back in time to 1 January 2004 was likely to outweigh the benefit to be achieved in doing so. It therefore decided to amend the fixed date of 1 January 2004 in paragraph B2 of IFRS 1 to ‘the date of transition to IFRSs’.
- BC3 The Board also decided to amend the fixed dates included in paragraph D20 of IFRS 1 for the same reason. Consequently, the Board proposes that in paragraph D20(b), the date of 1 January 2004 should be amended to ‘the date of transition to IFRSs’, and paragraph D20(a) deleted.

Approval by the Board of *Removal of Fixed Dates for First-time Adopters* published in August 2010

The exposure draft *Removal of Fixed Dates for First-time Adopters* (proposed amendments to IFRS 1) was approved for publication by the fourteen members of the International Accounting Standards Board.
