This Circular is intended to be used as general guidance ~~for practising members of the Institute~~. The Institute DOES NOT accept any responsibility or liability, and DISCLAIMS all responsibility and liability, in respect of the Circular and any consequences that may arise from any person acting or refraining from action as a result of any materials in the Circular.

Appendix 2 to this Circular has been updated for the conforming and consequential amendments (“amendments”) as a result of the new and revised quality management standards. The amendments will be effective for engagements beginning on or after 15 December 2022. The effective date of the amendments does not amend or override the effective date of HKSQM 1¹.

A. Introduction

1. Pursuant to the Grant Agreement made between the Permanent Secretary for Education Incorporated (“Grantor”) and the Grantee in respect of each Quality Education Fund (“QEF”) project with grant exceeding \$100,000², the Grantee is required to prepare “project accounts” (containing the Income and Expenditure Statement, Balance Sheet and Notes) in respect of each project upon completion or termination. The Grantee is required to submit an independent auditor’s report on the “project accounts” and an agreed-upon procedures report in connection with the internal controls established by the Grantee. The Grantee is required to appoint a certified public accountant (practising) (“practitioner”) ~~member~~ to perform such engagements.
2. The objectives of such engagements are for the auditor:
 - a) to express an audit opinion on whether the project accounts are prepared, in all material respects, in accordance with the QEF financial reporting requirements as set out in the “Accounting Policies for QEF Projects”; and

¹ Hong Kong Standard on Quality Management 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*.

² The threshold for project with proposal submitted before 1 September 2011 is \$3,000,000.

b) to issue an agreed-upon procedures report in connection with the internal controls established by the Grantee.

3. The purpose of this Circular is to provide guidance to practitioners practising members when undertaking such engagements.

B. Audit of the project accounts

4. The Institute's Auditing and Assurance Standards Committee ("AASC"), in consultation with the QEF, has determined that the project accounts are special purpose financial statements (i.e. financial statements prepared in accordance with a special purpose framework). Therefore, Hong Kong Standard on Auditing ("HKSA") 800 (Revised), *Special Considerations—Audits of Financial Statements Prepared in Accordance with Special Purpose Frameworks* applies to the audit of these project accounts.
5. According to paragraph 6(b) of HKSA 800 (Revised), a special purpose framework is a financial reporting framework designed to meet the financial information needs of specific users. The financial reporting framework may be a fair presentation framework or a compliance framework.
6. The accounting requirements of the QEF, as they currently stand, do not conform to all HKFRSs, and consist primarily of a list of specific rules and conventions to be applied, and disclosures to be made for the purpose of monitoring the use of the grant(s) by the Grantee. Accordingly, with reference to paragraph 13(a) of HKSA 200, Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance with Hong Kong Standards on Auditing, such financial reporting framework is considered to be a compliance framework.
7. As explained in paragraph A13 of HKSA 200, where the financial reporting framework is a compliance framework, the opinion required is on whether the financial statements are prepared, in all material respects, in accordance with the relevant framework applied.
8. Appendix 1 to this Circular contains an example independent auditor's report that is based on HKSA 800 (Revised). The reporting requirements are effective for audits of financial statements of the projects with proposals being submitted on or after 1 September 2011 with completion dates of the projects ending on or after 15 December 2016.
9. Auditors are reminded that the attached example auditor's report is illustrative only and that they would need to use their professional judgment to ascertain the exact circumstances of each audit engagement. There may be circumstances that result in a modified opinion or the need to add emphasis of matter paragraphs. In such circumstances, the example auditor's report will need to be modified to reflect the auditor's opinion in accordance with HKSA 705 (Revised), *Modifications to the Opinion in the Independent Auditor's*

Report or HKSA 706 (Revised), Emphasis of Matter Paragraphs and Other Matter Paragraphs in the Independent Auditor's Report.

C. Agreed-Upon Procedures Report

10. The objective of the agreed-upon procedures report is set out in paragraph 2(b) above. In consultation with the QEF, it has been determined that an agreed-upon procedures engagement conducted in accordance with Hong Kong Standard on Related Services (“HKSRS”) 4400 (Revised), *Agreed-Upon Procedures Engagements* and the guidance provided in this Circular would generally be suitable for this reporting.
11. The Grantee is required to adhere to the QEF General Guidelines and to establish appropriate internal controls. The main internal controls expected to be implemented by Grantees are set out in the QEF’s “Summary on Internal Controls for QEF Projects”.
12. The specific procedures on internal controls established will vary from Grantee to Grantee. An auditor shall select the relevant procedures on the internal controls identified in the QEF’s “Summary on Internal Controls for QEF Projects” for testing and agree these with the Grantee.
13. As the auditor simply provides a report of findings of agreed-upon procedures performed, no assurance is expressed. Instead, the users of the report assess for themselves the procedures and findings reported by the auditor and draw their own conclusions as to whether the internal controls established by the Grantee are, in all material respects, in accordance with the terms and conditions of the Grant Agreement.
14. The terms and conditions of the grant are contained in the Grant Agreement Documents which consist of:
 - (a) the Grant Agreement (the project proposal, the approved budget of the project and the full set of the QEF General Guidelines are incorporated by reference to the Grant Agreement as Schedule I, II and III respectively); and
 - (b) all instructions and correspondences issued by the QEF to the Grantee in respect of the project.
15. In case there is any ambiguity regarding the terms and conditions of the grant that has a significant effect upon the auditor’s reporting on the subject matters, the auditor should request the Grantee to clarify this with the QEF Secretariat (the “Secretariat”).
16. Appendix 2 to this Circular contains an example agreed-upon procedures report on the internal controls established by the Grantee that is based on HKSRS 4400 (Revised) which is effective for agreed-upon procedures engagements for which the terms of engagement are agreed on or after

1 January 2022. The auditor is reminded that it provides an illustrative example only. The auditor is required to agree with the Grantee on the actual procedures specific to the Grantee. This report should be submitted together with the independent auditor's report on the project accounts.

17. HKSRS 4400 (Revised) introduced requirements and application material to provide more clarity in the agreed-upon procedures report. The auditor is reminded to read HKSRS 4400 (Revised) for the requirements.
18. In particular, the auditor should refer to paragraphs 21 – 23 and A28 – A38 of HKSRS 4400 (Revised) for the engagement acceptance and continuance conditions. The auditor shall include the terms as set out in paragraph 24 of HKSRS 4400 (Revised) in the engagement letter. Among the terms, the engagement letter shall include the purpose of the engagement and the intended users of the agreed-upon procedures report as identified by the engaging party. An illustrative engagement letter for an agreed-upon procedures engagement can be found in Appendix 1 to HKSRS 4400 (Revised).

Effective Date

19. The reporting requirements of the QEF are effective for audits of financial statements of the projects with proposals being submitted on or after 1 September 2011.

Conclusion

20. The Institute may issue further guidance where appropriate as a result of any developments arising from discussions with the QEF.
21. The AASC welcomes your comments and feedback, which should be sent to the Standard Setting Department at: commentletters@hkicpa.org.hk.

APPENDIX 1

Example Independent Auditor's Report

Based on HKSA 800 (Revised), *Special Considerations—Audits of Financial Statements Prepared in Accordance with Special Purpose Frameworks*

For purposes of this illustrative auditor's report, the following circumstances are assumed:

- The financial statements have been prepared by the Grantee in accordance with the financial reporting requirements of the QEF. Grantee does not have a choice of financial reporting frameworks. The Grantee is responsible to treat the project's assets and liabilities in accordance with the requirements as set out in the "Accounting Policies for QEF Projects" issued by the QEF, where going concern is considered not relevant as the grant is a one off in nature for the Grantee to carry out a non-recurrent project.
- The applicable financial reporting framework is a compliance framework.
- The terms of the audit engagement reflect the description of Grantee's responsibility for the financial statements in HKSA 210.¹
- The auditor has concluded an unmodified (i.e., "clean") opinion is appropriate based on the audit evidence obtained.
- The relevant ethical requirements that apply to the audit are those of the Hong Kong Institute of Certified Public Accountants' *Code of Ethics for Professional Accountants*.
- Distribution and use of the auditor's report are restricted.
- The auditor is not required, and has otherwise not decided, to communicate key audit matters in accordance with HKSA 701.²
- The auditor has determined that there is no other information (i.e., the requirements of HKSA 720 (Revised)³ do not apply).
- Those responsible for oversight of the financial reporting process differ from those responsible for the preparation of the financial statements.
- The auditor has no other reporting responsibilities required under local law or regulation.

¹ HKSA 210, *Agreeing the Terms of Audit Engagements*.

² HKSA 701, *Communicating Key Audit Matters in the Independent Auditor's Report*.

INDEPENDENT AUDITOR'S REPORT

To the Directors⁴ of [Name of Organisation]⁵ ("Grantee")

Opinion

We have audited the financial statements of ABC Project ("Project") set out on pages to....., which comprise the balance sheet as at [Completion Date] and the income and expenditure statement for the period from [Commencement Date] to [Completion Date], and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements of the Project for the period from [Commencement Date] to [Completion Date] are prepared, in all material respects, in accordance with the financial reporting requirements of the Quality Education Fund ("QEF") as set out in its "Accounting Policies for QEF Projects".

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Grantee in accordance with the HKICPA's *Code of Ethics for Professional Accountants* ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Distribution and Use

We draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist the Grantee in complying with the financial reporting requirements of the QEF. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Grantee and the QEF and should not be distributed to or used by parties other than the Grantee or the QEF⁶. Our opinion is not modified in respect of this matter.

Other Matter

We have not performed any audit procedures to verify the authenticity of the supplementary and unaudited information provided by the directors⁴ of the Grantee in the financial statements.

Responsibilities of Directors⁴ and Those Charged with Governance for the Financial Statements⁷

The directors⁴ of the Grantee are responsible for the preparation of the financial statements in accordance with the financial reporting requirements of the QEF, as set

⁴ Or the terms that are appropriate in the circumstances.

⁵ The organisation should be the one defined as the Grantee in the Agreement.

⁶ Auditors may consider it appropriate to clarify to whom they are responsible here or elsewhere in the report in accordance with their risk management policies and with reference to Professional Risk Management Bulletin No. 2 "Auditors' Duty of Care To Third Parties and The Audit Report".

⁷ Throughout this illustrative auditor's report, the terms directors and those charged with governance may need to be replaced by another term that is appropriate in the context of the legal framework in the particular jurisdiction.

out in its “Accounting Policies for QEF Projects”, and for such internal control as the directors⁴ determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Grantee’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA’s will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA’s, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Grantee’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors⁴.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Basis of preparation

- 1 These financial statements have been prepared in accordance with the financial reporting requirements as set out in the “Accounting Policies for QEF Projects” issued by the QEF.
- 2 The significant accounting policies are set out below:

APPENDIX 2

Example Agreed-Upon Procedures Report

Based on HKSRS 4400 (Revised), *Agreed-Upon Procedures Engagements*

For purposes of this illustrative agreed-upon procedures report, the following circumstances are assumed:

- The Grantee is the engaging party, the responsible party and the intended user. The report is also intended to be provided to the Quality Education Fund by the Grantee.
- No exceptions were found.
- The practitioner did not engage a practitioner's expert to perform any of the agreed-upon procedures.
- There is a restriction on the use and distribution of the report.
- The practitioner is the auditor of the financial statements of the Grantee. The practitioner has agreed with the Grantee that the practitioner's compliance with the independence requirements applicable to audits of financial statements is appropriate for the purpose of the agreed-upon procedures engagement. The practitioner has agreed to include, in the terms of engagement, compliance with the independence requirements applicable to audits of financial statements for the purpose of the agreed-upon procedures engagement.
- The practitioner included a reference to the date when the agreed-upon procedures were agreed in the terms of the engagement.

AGREED-UPON PROCEDURES REPORT ON INTERNAL CONTROLS ESTABLISHED FOR ABC PROJECT

To the Directors¹ of [Name of Organisation]² ("Grantee")

Purpose of this Agreed-Upon Procedures Report and Restriction on Use and Distribution

Our report is solely for the purpose of assisting the Grantee in evaluating whether the internal controls established by the Grantee for ABC Project ("Project") are compliant with the terms and conditions of the Grant Agreement entered into with the Quality Education Fund ("QEF") and may not be suitable for another purpose. This report is intended solely for the Grantee, and should not be used by, or distributed to, any other parties, except that we agree that a copy of this report may be provided to the QEF.

¹ Or other terms that are appropriate in the circumstances.

² The organisation should be the one defined as the Grantee in the Agreement.

Responsibilities of the Grantee

The Grantee has acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

The Grantee is responsible for the internal controls established for the Project on which the agreed-upon procedures are performed.

Practitioner's Responsibilities

We have conducted the agreed-upon procedures engagement in accordance with the Hong Kong Standard on Related Services (HKSRS) 4400 (Revised), *Agreed-Upon Procedures Engagements* issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"). An agreed-upon procedures engagement involves our performing the procedures that have been agreed with the Grantee, and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness of the agreed-upon procedures. We expressly disclaim any liability or duty to any other party for the content in this report.

This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion.

Had we performed additional procedures, other matters might have come to our attention that would have been reported.

Professional Ethics and Quality Management

We have complied with the ethical requirements of the HKICPA's *Code of Ethics for Professional Accountants* (the "Code") and the independence requirements in Part 4A, Chapter A of the Code.

Our firm applies Hong Kong Standard on Quality Management 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.
